

# Using the Godfrey's Cemetery Database

Through the Ed Laput Cemetery Project the Godfrey is able to provide access to a vast repository of cemetery data from around the country.

1. Click on Cemeteries under the categories in Scholar+

2. From this page you can search by person's name via the Ed Laput Cemetery project or view a full database for each individual cemetery.

- To search for an individual fill out this form as completely as possible, then press search. It may take a minute for results to appear. (If you want to view a specific cemetery's full database skip to step 5).

ED LAPUT COLLECTION

Cemetery Databases contains the Ed Laput Cemetery Collection, a database of every gravestone in 823 Connecticut cemeteries and 36 in other states. This database includes information from the Hale collection. We are grateful to Godfrey Board member Ed Laput and the volunteers who spend countless hours working on this project.

	First Name	Middle Name	Last Name
